# Systems and Technology

ASG is in a unique market position where it has invested in proprietary technology to meet the ongoing needs of its client base. These bespoke systems deliver the information you need, when you need it. ASG has proudly developed software across:

## LIVE REPORTING

Immediate access to labour hire costs and reporting to inform decision making

## ROSTERING

Combining the best of the off-the-shelf systems and adding functionality to support unique labour hire demands

## RECRUITMENT

Built from scratch, this is a new way for our business to recruit and manage applications

## **Reconciliation Action Plan**

ASG has recently submitted its first RAP for approval by Reconciliation Australia. We recognise that this is a crucial step in bringing our commitment to social procurement and social inclusion to life.

---

## **Engaging an Indigenous Consultant**

ASG has engaged an Indigenous Consultant to support our journey in social procurement. Dean Rioli of Imalu Services has been brought on to share his knowledge and understanding of social procurement and support ASG's growth of Concept GTO.

---

## **Yalagan Group Partnership**

ASG has entered into a partnership with Yalagan Group that aims to provide sustainable, long term employment for Aboriginal and Torres Strait Islander workers. This extends to opportunities for apprentices and trainees.

---

## **Supply Nation Member**

Ashley Services Group are a proud member of Supply Nation with a commitment to diversity and developing and promoting the Supply Nation network.
